EMANUEL RUSU

Full-Stack Developer | React / Next.js / TypeScript / Node.js

Relocating to Racibórz, Poland (January 2027) | EU citizen - no work permit needed

rusu.emanuel.webdeveloper@gmail.com | +40 771 248 029 | LinkedIn | GitHub

PROFILE

Full-stack developer building and deploying applications for businesses in booking, education and automotive services, as well as my own e-commerce platform, TechTots. Experience spans user interfaces, APIs, authentication, payments, dashboards, testing and deployment. DCI-trained in the MERN stack, with a practical approach to debugging and two years of hands-on work with AI coding tools.

TECHNICAL SKILLS

Languages & frontend: JavaScript, TypeScript, SQL, HTML, CSS/SCSS, React, Next.js, Tailwind CSS, Material UI

Backend & data: Node.js, Express, REST APIs, server actions, Zod, PostgreSQL, Supabase, Prisma, MongoDB

Integrations & testing: Stripe, Netopia, OAuth/JWT, webhooks, Cloudinary, email/calendar, Vitest, Playwright, React Testing Library

Tools: Git, GitHub, Docker, Vercel, npm/pnpm, Linux basics, SEO, debugging

DEVELOPMENT EXPERIENCE

Freelance Full-Stack Web Developer | Self-employed

Remote | After completing the DCI course - Present

TechTots | Own e-commerce platform, in active development | Jan 2026 - Present | techtots.ro

- Building a STEM-toy store with age-based discovery, cart, Stripe checkout and product/category SEO.
- Developing with Next.js, React, TypeScript, Prisma and PostgreSQL; deployed on Vercel.

Sensika | Booking & business management | sensika.pl

- Built a multilingual booking platform with scheduling, admin/client workflows, coupons and gift cards.
- Implemented Supabase authentication and data flows, Stripe webhooks, email/calendar features and security tests.

GOA Erwachsenenbildung | Education & operations | goa-erwachsenenbildung.online

- Built course, booking, application, placement-testing and admin workflows with Next.js and Prisma/PostgreSQL.
- Developed authenticated backend flows and analytics, with Vitest/Playwright testing, Docker and Vercel.

QUJO Autovermietung | Multilingual car rental website | qujo-autovermietung.de

- Built a responsive DE/EN website for rental information, quote and contact requests, and customer inquiries.

ADDITIONAL EXPERIENCE

Machine Operator, Procter & Gamble Manufacturing GmbH | Crailsheim, Germany | Mar 2018 - Jun 2023

- Reduced downtime by 15% through troubleshooting and maintenance; trained 10+ recruits, reducing training time by 20%.

Exclusive Event Security Specialist, Prevent Security | London, UK | Aug 2015 - Jan 2018

- Supported safety at private and high-profile events through monitoring, communication and incident response.

EDUCATION & LANGUAGES

Digital Career Institute | Full-Stack Web Development, MERN Stack | 2023 - 2024

Diploma obtained. Final team project: The Nexus Hotel Project.

Languages: Romanian (native) | English (fluent) | German (basic)
